Present: Aldermen Gary Payson, Jim D'Alessandro, Jerry Anderson

**MUNICIPAL CODE AMENDMENTS**

***Regulation of Burning***

The Committee discussed having a seasonal burning permit in addition to the single use permit. Applications would be submitted and inspections completed before issuance of the permit. It was discussed that residents with a seasonal permit could be asked to notify the Fire Dept. each time they plan to burn but it was agreed that it would place a greater burden on both the Dept. and the residents.

Currently seasonal leaf burning is allowed for from April 1 through May 31 and October 1 through November 30. Motion (D'Alessandro/Anderson) to draft language changes to create the option of a seasonal permit which would be in effect from April 1 through September 31 of each with a permit fee of \$25. Motion carried.

Draft language will be reviewed at the next Committee meeting.

***Regulation of Dumpsters***

The revised language for the regulation of dumpsters was reviewed. Motion (D'Alessandro/Anderson) to exempt multi-family developments from this regulation by adding language "the provisions of this code shall not apply to commercial dumpsters required under Chapter 11.06". Motion carried.

Draft language will be reviewed at the next Committee meeting.

**ADJOURNMENT**

Motion (Anderson/D'Alessandro) to adjourn at 4:40 p.m. Motion carried.
