ROLL CALL

Review Proposed Modifications to City Code Regarding Alcohol Licensing at Gas Stations and Convenience Stores

Administrator Tapson said there was conflicting language with Attorney Phillips' proposed language. The question to be resolved is whether the City will promote or prohibit alcohol sales in gas stations, convenience stores, etc. Alderman Rehberg didn't want to prohibit sales at small locations, such as downtown stores and the committee was considering allowing one license to be issued. Attorney Phillips said it should be to allow all to be licensed or prohibit all. The committee chose to prohibit alcohol in gas stations, convenience stores, grocery stores and drive-ups and to modify City ordinances to reflect current practice.
