St. Patrick's Parish Request for Handicapped Parking Stalls on Walworth Street

DPW Manager Nuss said St. Patrick's Parish currently has two parking stalls that were approved previously; however, one sign is currently in place. They are requesting two additional stalls. Police Chief Christensen asked if it was part of remodeling. He said the drawing is incorrect and asked if it went through the Plan Commission that way. Administrator Tapson said it is up to the City to approve and designate the parking stalls and the issue is if the street can accommodate the additional handicapped stalls. Police Chief Christensen has no problem with the extra stalls and wants to keep the current stall due to vision problems at the intersection. Alderman Huss would like the correct layout and any discussion on the street parking from the Plan Commission. The D.P. W. and P.D. were asked to provide additional information on the correct parking plan and location of new stalls at the next meeting.

ADJOURNMENT

Motion (Kluck/Rehberg) to adjourn at 4:23 p.m.
