Only committee members are expected to attend. However, attendance by all Common Council members and the Mayor (including non-members of the committee) is permitted. If additional (non-committee) Common Council members attend, Section 19.82(2), Wisconsin Statutes, states as follows: "If one-half or more of the members of a governmental body are present, the meeting is rebuttably presumed to be for the purposes of exercising the responsibilities, authority, power or duties delegated to or vested in the body." To the extent that more than half of the Common Council actually attend, this meeting may be rebuttably presumed to be a "meeting" within the meaning of Wisconsin's open meeting law. Nevertheless, only the committee's agenda will be discussed. Only committee members will vote. Common Council members who attend the committee meeting do so for the purpose of gathering information and possible discussion regarding the agenda. No votes or other action will be taken by the Common Council at this meeting.
